

Retail Pharmacy Store - Return & Refund Policy

General Return Guidelines

- Returns must be accompanied by a valid receipt within 30 days of purchase.
- Items must be unopened and in original packaging unless defective.
- Refunds will be issued to the original form of payment.

Non-Returnable Items

- Prescription medications once dispensed.
- Open personal care items.
- Gift cards and prepaid financial products.

No-Receipt Returns

- Customer must present valid government-issued ID.
- Refund issued as store credit at lowest selling price in past 60 days.
- Store reserves right to deny excessive no-receipt returns.
