

# **Retail Pharmacy Store - Loss Prevention & Shrink Control Policy**

## **Theft Prevention**

- High-value items must be secured in locked display cases.
- Perform daily cycle counts on controlled inventory.

## **Internal Controls**

- Employees must follow dual-control procedures for safe access.
- Random audits conducted monthly.

## **Incident Reporting**

- All theft or fraud incidents must be reported within 24 hours.
- Complete incident documentation and submit to corporate compliance.
